Hello Steve.

Waste Management of Hawaii (WMH) has provided the noticed parties daily progress reports according to the terms of the Administrative Order on Consent (AOC) with USEPA signed on January 25, 2011. Most of the requirements associated with the AOC have now been substantially met. Section VIII. 24. A. of the AOC specifies that "Beginning two (2) days after the Effective Date, Respondent shall submit by e-mail to EPA and DOH daily, until agreed otherwise by the Parties, progress reports (Monday through Friday only, unless otherwise requested by EPA) concerning actions undertaken pursuant to this Order". WMH is hereby requesting your approval to replace the daily progress reports with weekly reports. WMH proposes to provide you with a weekly report similar to the daily reports in content that would run from Monday thru Sunday, and be delivered to all parties by Wednesday summarizing the previous weeks information. Please review this request and provide your approval to move to weekly progress reports. Thank you.

Best regards,

Joe
